

Elite School of Optometry's International Vision Science and Optometry Conference  
(EIVOC)

15th to 17th August 2025 | Chennai Trade Centre, Chennai, India

<b>Title of the workshop</b>	Handling Emergencies in Primary Eye Care - A referral guide
<b>About the workshop</b>	Ocular emergencies demand immediate medical attention to prevent potential vision loss and, in some cases, even life-threatening situations. As primary eye care practitioners, optometrists play a vital role in identifying such conditions that may necessitate specialized and prompt ophthalmic intervention through timely and appropriate referrals. This workshop aims to enhance the ability to handle various ocular emergencies and provide guidance on making appropriate referrals.
<b>Objectives</b>	<ul style="list-style-type: none"><li>• To enhance knowledge on various ocular emergencies and their management protocols to facilitate appropriate referrals.</li><li>• To guide in determining when and where to refer patients ensuring timely and appropriate interventions.</li></ul>
<b>Expected Outcome</b>	The candidate will be able to gain comprehensive understanding of various ocular emergencies and able to refer appropriately thereby prevent further damage.
<b>Date</b>	Aug 17, 2025
<b>Target Audience</b>	Optometry Students, Optometrists, Independent Practitioners
<b>Duration</b>	2 hours
<b>Available slots</b>	30
